FADED SLOGANS SCRAWLED

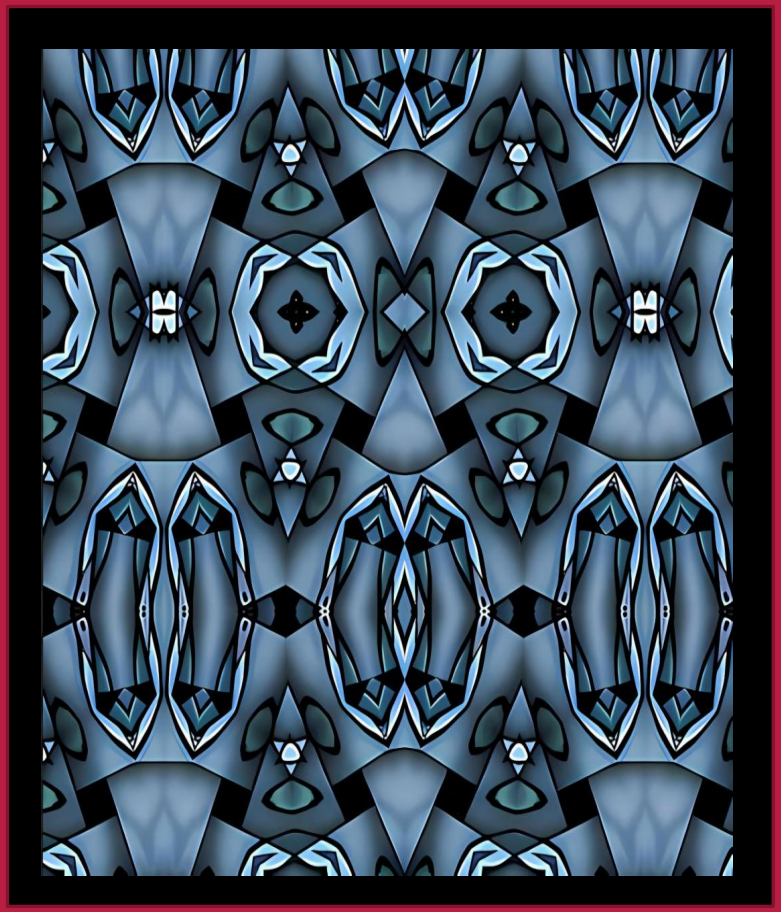
ON FORGOTTEN WALLS

A Special Emil Zombie Insurrection

ART SHOW

JULY 19 – 29TH 2025

GIOVANNI METRO STOP GALLERY - WWWG PRODUCTIONS LTD. SINGAPORE - 2025



Inundated and dissected, we find ourselves grappling with the shattered remnants of beliefs we once held as truth.
Today, the very notion of truth feels elusive, often reduced to mere echoes of faded slogans scrawled on forgotten walls from a bygone era.
Even when we manage to recall fragments of it, those memories

seem distant and worn, lacking the vibrancy they once possessed.

In the limited time we have left, revisiting outdated arguments serves no practical purpose; it only distracts us from the urgent need to focus on a path that could lead us to safety and, hopefully, a brighter future.

The Colonel reprimanded us for our wandering thoughts, urging us to concentrate on the way ahead, which, as a quick glance reveals, is littered with the jagged remnants of past missteps and worn-out quotes that echo the bravado of our earlier endeavors.

We must resist the temptation to dwell on the past and instead channel our energy into navigating the obstacles that lie before us.

A seemingly endless stream of humanity surged down the cracked highway, all in search of a better future or at least a place to rest, like an open Hotel Six.

This vast procession, littered with remnants of lives once lived, made it painfully clear that we were late in our desperate bid to escape the encroaching glow of distant horizons. (PART ONE)
